

JCG was started in 2002 to equip churches to complete the great commission by providing resources and coaching to plant new cell churches and transition existing churches to cell-based ministry. As board members, we believe that God has birthed this ministry to help His people more effectively disciple the multitudes through the cell church strategy.

With each passing day, Joel's fulltime ministry revolves around writing and consulting pastors in cell church ministry. Much of Joel's ministry is accomplished free of charge, and we as a JCG board believe that the worker is worthy of his labor. Up until this point, the Comiskeys have been partially supported through their denomination. Their denominational support, however, will be ending shortly.

The Comiskeys feel a wider calling to the body of Christ and more specifically to those who are experimenting with the cell church strategy. We as a board feel that this is God's time to release Joel into a greater sphere of influence that is not limited by denominational structure.

We are believing that God will raise up pastors and leaders in the cell church movement to help support the Comiskeys. We have recommended that Joel and Celyce raise \$50,000.00 per year and ask for a three-year commitment from those contributing. Since Joel Comiskey Group is a federally approved non-profit organization, all donations are tax deductible.

Your tax deductible support will help Joel do the following:

- Equip people in North America to reap the harvest through the cell church vision.
- Resource the body of Christ through articles, books, web site, and consulting
- Enable Joel to coach pastors who are unable to afford it
- Travel to countries who can't afford to support him. Joel in the last five years has ministered extensively in Africa, Asia, Eastern and Western Europe, Latin America, Brazil, and throughout North America.

Our goal as a board is to have a firm commitment from donors by February 2006, so that at our annual CCS board meeting on February 23-25, we might know how to proceed. Please pray and then consider a three-year commitment of:

- \$500 per year
- \$1500 per year
- \$3000 per year
